Description: With the rigorous reading standards called for in the Common Core State Standards, teachers need easy access to reading passages at an increasing level of complexity so students will have opportunities to read closely and stretch their skills as the school year progresses. This collection of passages offers just that. Each of the 25 passages comes with...

Review: Some stories are more challenging than others. I think it could have been better organized so that they became progressively more challenging. The questions are not challenging enough. Good enough for a study aide....
